SIGNIFICANT COST SAVINGS

According to a recent Gartner report, it costs more than \$18,000 to review each gigabyte (GB) of data. FirstPass® maximizes data culling, leaving only the most likely responsive files to require attorney review, resulting in **huge** savings in review costs.

EASE OF USE

FirstPass® has an easy-to-use and intuitive point and click browser-based interface. Support is available via Live Chat weekdays, as well as via phone and email.

NO CAPITAL INVESTMENT REQUIRED

FirstPass® is delivered as Software as a Service (SaaS) via the Internet with no long term software license and maintenance fees, no setup up fees and no hardware to purchase or manage. You simply pay a per GB fee for processing and for the time that you want to store and review your documents.
